## NO RETURNS/REFUNDS, PER TERMS BELOW:

I (the customer) agree to pay the above amount for Artsystem5 Studio (A5 Studio) Subscription licensing and Support Services (now and quarterly or annually upon initiation of support or installation) for as long as the software and/or support is utilized. Payments must be made via the above credit card or a replacement credit card and signed form via fax or email sent in advance of charging date.

All charges are non-refundable: no part is refundable in the event of early cancellation. Request for cancellation must be made in writing 10 days in advance of next payment date in order to not be charged for the following period's service. Artsystems reserves the right to refuse service if payment is not current (until such payment is made), with no credit to customer and with no forfeit of amount due. Software and/or support will not be available if subscription is unpaid. Any 'additional service' deposits such as for data conversion or report customization will be returned upon request if service has not commenced and/or work has not begun, less a 5% fee for credit card payments.

Customer understands that they are responsible for web-browser and Internet access in order to utilize software. In addition, by signing, customer agrees to the terms of the Artsystems Software End-User License Agreement, available at [www.artsystems.com/eula](http://www.artsystems.com/eula).
